If all animals have been accounted for and the reported Ending Count is different, please indicate in the comment section.

**COMMENTS:** Ending counts are off. Rows G and R do not match because some of the unhealthy & untreatable animals that were brought in for owner/guardian requested euthanasia were adopted or sent to rescues.

**I agree that in completing this form, we have used the Maddie's Fund definitions of "Healthy," "Treatable - Manageable," "Treatable - Rehabilitatable," and "Unhealthy & Untreatable" as set forth in the attached document titled, "Maddie's Fund® Categorizations/Definitions of Shelter Animals."**

Rows G & R do not match because two dogs that came in as Owner/Guardian Requested Euthanasia in December 2012 were not euthanized until January of 2013. Additionally, one cat came in December of 2013 that was not euthanized until January of 2014.
