Town Cats Foster Check Sheet

Thank you for your interest in fostering--we would love your help! We have a network of foster parents and they are critically important to our mission. Fosters are a lifeline to baby cats and to adult cats who need extra TLC to stabilize, adjust, recover, socialize, and develop. These cats just need a little love. It is so rewarding!

Have you done this before? Yes _____ No _____

What is your interest?

Kittens? _____ Kittens with mother? _____ Recuperating adult cat? _____

Do you have any animals now? Yes _____ No _____

Where would you keep the foster? _____

May our foster coordinator visit your home to help set up and then to monitor on an ongoing basis? Yes _____ No _____

Are you willing to provide food, litter, and litterbox for the foster? Yes _____ No _____

Can you take the foster to the vet if needed? Yes _____ No _____

Can you give pills, liquids, ointments if needed? Yes _____ No _____

What is the length of time you can hold onto a foster? _____

We want to get the foster cats/kittens into an adoption center ASAP, but pet store space is not always available. You may have to transport your foster kittens back and forth to weekend adoption fairs. Can you do this every weekend? Yes _____ No _____
