We charge a minimum \$25 NSF check fee for all returned checks.

Family Cat Adoption Contract

Cat Name: _____ Description: _____ MC# _____

Cat Name: _____ Description: _____ MC# _____

1. **General Agreement:** This is a legally binding contract, agreed to by Town Cats and Adopter. I am aware of the long-term commitment I am making by adopting a cat today and I agree to care for my cat for the rest of his or her life, which I understand may be 20+ years. I agree to treat my newly adopted cat humanely and as a member of my family. I agree that my new cat will receive proper food, water, shelter, attention, as well as vaccinations, medical exams and other treatments as required by law or prescribed by a veterinary professional. I understand that cats may live to 20 years old or more and am committed to my cat. I assume full responsibility for my adopted cat today.
2. **Indoor/Outdoor:** I understand that indoor-only cats often live significantly longer than cats that spend time outdoors. I agree that: This cat is not permitted outdoors at any time. Please initial here: _____
 This cat is permitted outdoors with the following restrictions: The cat will remain 100% indoors for the first 3 months or until the cat is a year old, whichever occurs later. The cat will be fully vaccinated for outdoor risks. The cat will wear a collar with ID tags when outside the home. The cat will be indoors at night. Please initial here: _____
3. **Initial Medical Care/Treatment:** I understand that Town Cats has spayed or neutered, tested this cat or sibling for Leukemia and FIV, administered vaccines due, dewormed, defleaed and completed routine examinations to ensure my cat is in good health prior to placing my cat for adoption. I further understand that Town Cats is a nonprofit organization with all funds received going to care for the cats and kittens currently in their care. If my new cat becomes ill or displays unusual symptoms within the first month of bringing my cat home, I agree to call Town Cats (408) 779-5761 for options such as taking my cat to a Town Cats vet at Town Cats' expense (**this must be approved in advance**), bringing my cat to Town Cats for treatment, etc. I will work with Town Cats to make sure my new cat is taken care of the best way possible.
4. **Microchip:** I understand that this cat has been microchipped for ID purposes. Town Cats will register the microchip to me using the information provided on my application. I agree to update my registration data with the manufacturer to always keep it current.
5. **Return to Town Cats:** I agree that if for any reason I cannot keep my cat, I will contact Town Cats **immediately** to discuss all options, including return of my cat to Town Cats. I understand and agree that I will **NOT** surrender my cat to an animal shelter or other rescue group for any reason without contacting Town Cats first. I also will **NOT** return my cat to the adoption center/pet store if I adopted him or her at one. I will call Town Cats (408) 779-5761 to discuss all options.
6. **Lost Cat:** If my cat is lost, I will **immediately** call Town Cats (408) 779-5761, contact my neighbors and all local shelters, and post signs at in my neighborhood, at pet stores, and vet offices. I understand the best chance of finding a lost pet occurs within 24 hours.
7. **No Declawing:** I understand that declawing is mutilation and I agree that I will **never** declaw my cat.
8. **Home Visits:** I agree to allow Town Cats to check on the welfare of my cat from time to time, either in person or by phone/email. I understand this is not an infringement, but is to ensure my cat is loved, safe, and happy.
9. **Introduction to New Home:** I agree to follow all of the introduction procedures as explained to me by the adoption counselor in order to give my newly adopted cat the best chance to bond with our family and surroundings and to reduce the chance of stress and related sickness. At a minimum, these measures include: a) "Confinement" of at least two days in a small area, such as a bathroom; and b) a slow "Introduction" to current pets in the house over a period of two weeks or more.
10. **Indemnity:** I agree and understand that the actions of animals may be unpredictable and that Town Cats makes no representations as to the behavior and temperament of my cat. I agree to accept possession of the cat at my own risk and, hereby, release and waive any and all rights against Town Cats and its employees, officers and volunteers now or in the future for any damages to person(s) or property caused by my cat.
11. **Reclaim of Cat:** If any of these conditions are not fulfilled, or if any provided information is not accurate or verifiable, I agree to provide Town Cats with all necessary access to reclaim the cat, and that such action taken on my property is not trespassing.
12. **No Refunds:** I understand that if I decide to return my cat, there will be no refund whatsoever.
